

# NACCCA Trying to Locate

To the Editor:

Two years ago, the National Association of Civilian Conservation Corps Alumni (NACCCA) celebrated the 50th anniversary of the establishment of the Civilian Conservation Corps (CCC).

The NACCCA is trying to locate about two million former members and persons who were connected or affiliated with the CCC during the 1930's and 1940's. It is a known fact that many of these persons reside in Utah and areas serviced by the "Wasatch Wave." *Mar 1985*

I am sure that many of your readers have often wondered what became of the CCC. You can tell them the CCC lives again in the NACCCA. It is a young and growing organization with 114 chapters throughout the nation, and more are in the planning and development stages. One of its major objectives is to have the CCC reactivated.

Anyone interested in the organization can write to NACCCA, Loehmann's Plaza, 7245 Arlington Blvd., Suite 318, Falls Church, Virginia 22042, for more information and literature.

indicator at either half or one quarter the recommended film speed.

Finally, take several shots at different exposure settings. Don't be afraid to use a little film in order to get the image you want.
